

## Quotes from Public

- *“Ambulances were in the tailback on the M40.”*
- *“It is absurd to have to go all this way for a simple bone scan that lasted for about 2 minutes.”*
- *“The hospital departments have been very helpful but are just too far”*
- *“It was very noticeable that many of the disabled bays at the JR have been closed over the last year.”*
- *“I’m often made late for appointments by the difficulty in parking.”*
- *“The treatment I have received at the JR has been excellent. The difficulties of getting there however make the whole experience unpleasant.”*
- *“Unless you are going in in the middle of the night do not attempt to go to any Oxford hospital by car.”*
- *“Both my wife and I are well over 70 and dread any visits to the Oxford hospitals - the journey only gets worse & transport more difficult.”*
